Speaker [Rad A. Drew](#)

Rad will demonstrate how to create images that have vintage looks, moody tones, dreamy glows, and a host of other artistic “looks.” He will demonstrate the use of various stylizing apps such as Formulas, Distressed FX, and Enlight. He will also demonstrate how to blend original images with stylized images in Image Blender to temper the harsh effects of some apps.

Speaker [Rad A. Drew](#)

Rad will share his workflow and show how he uses Snapseed as the first step in creating, whether working with realistic landscapes or highly stylized artistic works. Join Rad in exploring the hidden nooks and crannies of Snapseed, from its masking capability to its portrait processing to its selective adjustments. Learn how to mask, keep sky soft and creamy versus coarse and noisy, and make adjustments to select areas of an image without affecting other areas.
