ADIRONDACK PHOTOGRAPHY INSTITUTE

Visit ADKPI – Adirondack Photography Institute

Nature is a testament to endless possibility. We have an ancient, vital need to express our ideas about our relationship with nature. Photography gives us a wonderful medium to bring this expression to life in the field of infinite possibilities.

Whether you're looking to feed a new-found passion for photography, delve into the latest technologies, or just bring a piece of natural beauty home with you, the Adirondack Photography Institute is here to help! With our combination of fun, productive programs and expert, approachable instructors, we'll be your key to unlocking the power of your unique creative vision.

We are the only major photography learning organization specializing in getting you into the heart of Adirondack Park beauty, with all its diversity and grandeur, all within a short drive of many major eastern metropolitan areas.

DELKIN DEVICES

Visit Delkin Devices – Superior Memory Trusted by Career Photographers

Delkin Devices, a leading manufacturer of flash storage devices and accessories, is a privately held company founded in 1986, with Corporate Headquarters in San Diego, CA and European Offices in Birmingham, England. We are consistently recognized as one of San Diego County's leading manufacturing companies, with sales and distribution channels across the world. Today, the Delkin name is associated with paramount quality, professionalism and most importantly innovation, serving both industrial and consumer markets worldwide. Throughout our 30+ year history, Delkin has neither changed names nor hands, although in recent years we acquired another memory card company in order to expand our business reach. Delkin proudly stands by its commitment to provide quick, convenient US and UK based customer support, Lifetime Warranty on all memory cards, as well as our World's Best Warranty – 48HR Replacement Guarantee on all premium lines. Delkin firmly believes that photography is a community, a culture – we believe in sharing information and teaching one another so we all can be better. Our Learning Lab continues to grow with amazing tips and tricks from world-renowned photographers & videographers, many of which have become our friends. At the show, Jenn Sherry will focus on how Delkin relates to your workflow and their products that support it. From memory cards, to readers, to totes, to Sensor Cleaning, to mounts and to SSD storage – we are with you every step of the way.

Visit Miller's Professional Imaging – Handcrafted products for professional photographers.

Miller's Professional Imaging is the largest professional lab organization in the United States. We provide professional prints and press products for professional photographers in all fifty states and Canada. Since our inception, we have developed a reputation for having the highest quality products, customer service, and technologies in the industry, all of which have contributed to becoming the preferred lab of professional photographers nationwide. In 2003, Miller's launched Mpix, a fully web-based digital imaging lab to service both emerging professionals and photo enthusiasts. In 2009, MpixPro was launched, catering to single-studio photographers looking for price savings and simplicity. Miller's Professional Imaging continues to support established photographers with a full service one-stop business model.

Visit Precision Camera – We Know Your Camera

Precision Camera is pleased to offer a free Camera Testing Clinic on your digital and film-based photographic equipment. Precision Camera’s Professional Services division strives to be the industry leader as the one-stop shop for the professional photographer. It achieves this by offering camera and lens repair service on the full spectrum of products used by the working professional, utilizing state-of-the-art test equipment and continuously evolving with the industry. They are the world’s largest service center providing full-service solutions on virtually all models of digital cameras and camcorders. The corporate campus, employing the largest team of highly trained professionals, is housed in eight facilities and focuses on providing a suite of best-in-class service solutions. Testing, diagnosis, and minor repairs, if possible, will be offered to Conference attendees.

Registration badges must be worn.
